Central Facilities Amaltas University Dewas (M.P.)

Amaltas University is committed to fostering excellence in teaching, research, innovation, and holistic development. To support this mission, the University has established robust and inclusive Central Facilities that serve as the backbone of academic, scientific, and administrative operations across all faculties and institutions.

1. Central Library

- A well-equipped, fully automated digital library with access to physical books, e-journals, theses, and research databases.
- Subscriptions to national and international journals (e-ShodhSindhu, INFLIBNET, DELNET, etc.).
- Reading zones for students and faculty.
- Wi-Fi-enabled e-resource access.

2. Central Computer Centre

- A dedicated IT hub providing computing facilities, internet access, and software support.
- High-speed internet (LAN/Wi-Fi) throughout the campus.
- ICT training sessions, data analysis support, and digital learning tools.

3. Central Research & Development Cell (RDC)

- Facilitates interdisciplinary research, grants, collaborations, and consultancy projects.
- Assists in patent filing, innovation support, and research publication.
- Maintains ethics committee and research advisory boards.

4. Incubation & Entrepreneurship Cell

- Centralized support for start-up ideation, mentorship, co-working space, and business development.
- Connected to national schemes such as Startup India, MSME, and Atal Innovation Mission.

5. Examination & Evaluation Cell
