

Amaltas University, Dewas

Five-Year Development Plan (2025–2030)

(As per UGC Guidelines and Regulatory Frameworks)

Vision:

To become a center of excellence in multidisciplinary education, research, innovation, and community engagement, producing globally competent, socially responsible professionals.

Mission:

To enhance academic and research capabilities.

To foster industry-institution interface.

To improve infrastructure and digital transformation.

To promote innovation, inclusivity, and sustainable development.

Strategic Goals & Action Plan

1. Academic Excellence

Objectives:

Curriculum revision as per NEP 2020.

Outcome-Based Education (OBE) and Choice-Based Credit System (CBCS).

Interdisciplinary and skill-based courses.

Action Items:

Year 1–2: Revise curriculum and align with NEP 2020; Introduce multidisciplinary electives.

Year 2–3: Implement Academic Bank of Credits (ABC) and student mobility.

Year 3–5: Establish School-based academic structure (e.g., School of Health Sciences, School of Engineering, etc.)

2. Research, Innovation & Publications

Objectives:

Encourage quality research, patents, and funded projects.

Establish Centers of Excellence (CoEs).

Action Items:

Year 1–2: Form University Research and Innovation Cell (URIC); promote use of plagiarism tools (e.g., Turnitin).

Year 2–3: Launch seed funding for internal research proposals.

Year 3–5: Apply for UGC/ICMR/ICSSR/AICTE funding; establish MoUs with R&D labs.

3. Infrastructure Development

Objectives:

Develop modern classrooms, laboratories, library, hostels, and sports facilities.

Ensure barrier-free access and green campus norms.

Action Items:

Year 1–2: Digitize classrooms; set up smart labs; install solar energy systems.

Year 2–3: Strengthen hostels, roads, sports infrastructure.

Year 4–5: Build a central library block; complete landscaping and rainwater harvesting.

4. Quality Assurance & Accreditation

Objectives:

Achieve accreditation from NAAC, NBA, and program-wise councils (NMC, INC, PCI, BCI, etc.)

Action Items:

Year 1: Establish Internal Quality Assurance Cell (IQAC) with full functional capacity.

Year 2–3: Apply for NAAC pre-accreditation and initiate SSR.

Year 4–5: Secure accreditation of major programs and maintain compliance with regulatory audits.

5. Faculty Development & Welfare

Objectives:

Continuous training, promotions (CAS), and incentives for research/consultancy.

Action Items:

Annual FDPs under PMMMNMTT, AICTE-ATAL, and UGC-HRDC.

Yearly performance-based appraisal system (PBAS) linked with promotions.

6. Student Development & Employability

Objectives:

Holistic development, placement enhancement, and entrepreneurship.

Action Items:

Year 1–2: Establish Career Guidance and Placement Cell.

Year 2–3: Introduce Finishing School modules and internships.

Year 3–5: Collaborate with Skill India, NSDC, and industry partners for job-ready skills.

7. Digital Transformation

Objectives:

Promote digital governance, learning management systems (LMS), and ERP.

Action Items:

Year 1: Implement ERP for academic and admin functions.

Year 2–3: Integrate e-office, LMS, and digital evaluation systems.

Year 3–5: Full automation of examination, results, and student records.

8. Governance and Policy Reforms

Objectives:

Transparent, participatory governance aligned with UGC norms.

Action Items:

Year 1: Constitute statutory bodies (BoG, AC, BOS, etc.) and publish policies.

Year 2–3: Implement grievance redressal, gender sensitization, and RTI mechanisms.

9. Community Engagement & Social Outreach

Objectives:

Promote NSS, Unnat Bharat Abhiyan, health camps, and environmental initiatives.

Action Items:

Yearly medical outreach programs, tree plantations, and awareness campaigns.

Collaboration with NGOs and Panchayati Raj institutions for community development.

10. Internationalization

Objectives:

Establish MoUs with international universities; promote student and faculty exchange.

Action Items:

Year 2–3: Partner with SAARC/Africa region institutes.

Year 4–5: Apply for Study-in-India program and accept foreign students.

Monitoring & Evaluation

Annual review by Planning & Development Committee.

Mid-term appraisal at Year 3.

Final outcome assessment in Year 5 linked to KPIs (graduation rate, accreditation, placements, etc.)
