Amaltas University, Dewas (M.P.)

Research and Development Cell (RDC)

Vision:

To foster a vibrant research ecosystem at Amaltas University, enabling innovation, interdisciplinary research, and impactful collaborations with academia, industry, and international bodies.

Objectives:

- To promote high-quality research among faculty and students.
- To facilitate research grants, consultancy, and industrial partnerships.
- To establish collaborations with foreign universities and research organizations.
- To encourage intellectual property generation (patents, copyrights).
- To create a repository of publications, funded projects, and innovations.

Key Responsibilities:

- Organize Research Methodology Workshops and FDPs.
- Identify funding opportunities from agencies (UGC, AICTE, ICMR, DST, etc.).
- Scrutinize and recommend project proposals for internal/seed funding.
- Coordinate foreign academic collaborations and exchange programs.
- Maintain a university-wide Research Database & Dashboard.

Amaltas Incubation Centre (AIC)

Vision:

To support innovation-driven start-ups and entrepreneurship through mentorship, technical support, and infrastructure.

Objectives:

- Provide incubation space and facilities to early-stage entrepreneurs.
- Facilitate seed funding through government/angel investor schemes.
- Provide training on IPR, prototyping, and business plan development.
- Facilities to Include:
 - Plug-and-play workstations
 - High-speed internet and printing
 - Prototype lab (basic equipment)
 - Mentoring from faculty/industry experts

Entrepreneurship Development Cell (EDC)

Purpose:

To develop an entrepreneurial mindset in students and provide a platform to transform ideas into businesses.

Activities:

- Entrepreneurship Awareness Camps (EAC)
- Idea Pitching Competitions
- Workshops on Startup Laws, Funding, GST, etc.
- Connect with MSMEs and local industries
- Collaborations & Consultancy Projects
- Foreign Collaboration:
 - Facilitate academic exchange, joint research projects, and faculty visits.
 - Preferred collaboration areas: health sciences, engineering, pharmacy, agriculture, management.
- Industrial Collaboration:

- MoUs with pharmaceutical companies, hospitals, and agro-based industries.
- Facilitate industry-sponsored projects, internships, and placements.

Central Research Facilities at Amaltas University
