

INTERNAL QUALITY ASSURANCE CELL

AMALTAS UNIVERSITY, DEWAS

Working Together for Excellence: The IQAC Vision

The Internal Quality Assurance Cell (IQAC) of Amaltas University has been consistently working towards strengthening and sustaining quality in all academic, administrative, and institutional practices. Guided by the visionary leadership of the Founder Chairman, **Shri Suresh Singh Bhadoria**, and enriched by the valuable insights of **Shri Mayankaraj Singh Bhadoria**, the IQAC has made steady progress in fostering a culture of quality. The continued guidance and support of the **Pro-Chancellor, Dr. Salil Bhargava**, **Vice-Chancellor, Dr. R. K. Singh**, and **Registrar, Dr. Abhay Gupta** have been instrumental in driving these initiatives forward.

The University is committed to aligning its systems and processes with the quality standards prescribed by the **University Grants Commission (UGC)** and the **National Assessment and Accreditation Council (NAAC)**. While the Binary Accreditation framework proposed by NAAC is yet to be implemented, the University is proactively preparing to align with its requirements once it comes into effect. In this journey, the IQAC serves as the central coordinating body, facilitating quality enhancement initiatives across all constituent institutions..

Over the past year, sustained efforts have been directed towards strengthening academic and administrative processes through systematic quality initiatives. These include enhancing teaching-learning methodologies), promoting Outcome-Based Education (OBE) and Competency-Based Medical Education (CBME strengthening student support and mentoring systems, and establishing effective mechanisms for collecting, analysing, and utilizing stakeholder feedback. The IQAC has also actively encouraged research and innovation, organizing faculty development programmes, improved institutional data

management practices, ensured timely submission of statutory reports, and enhanced interdepartmental coordination. Collectively, these initiatives have contributed to building a robust quality assurance ecosystem and preparing the University to meet national benchmarks of excellence.

The successful implementation of these initiatives has been possible through the unwavering support of the University leadership and the dedicated efforts of the heads of institutions, IQAC coordinators, departmental heads, faculty members, and nodal officers across the constituent units of Amaltas University. Their commitment and collaborative approach have significantly strengthened the University's quality assurance framework.

As Amaltas University continues its journey towards academic excellence and institutional growth, the IQAC remains committed to nurturing a culture of continuous improvement, innovation, accountability, and excellence. Through collective effort and a shared vision, the University is steadily progressing towards achieving higher standards of quality, excellence, and national recognition.

Dr. Abhilasha Dutta
Director, IQAC
